

EXHIBITION BY THE STUDENTS OF APPAREL DESIGN & CONSTRUCTION HELD ON 27 TH APRIL 2023

An exhibition was organised on 27 th April 2023 in ADC lab where students of Apparel Design and Construction - BA (Prog) 2 rd year and 3 rd year and Home Sc. Hons. 2 nd year got an opportunity to display their creative work done by them throughout the semester for the college including teachers and students from various departments. Inauguration of the exhibition was done by the Principal Prof. Raj Bhardwaj, who motivated the students and appreciated their hardwork and congratulated them for the beautiful work done by all of them.

Exhibition included Indian and western garments made by 3 rd year ADC students, sketching work done by 2 nd year ADC students and cushion covers, pillow covers, bags and pouches developed by 2 nd year Hons students. Each and everything was so beautifully displayed and every visitor appreciate the efforts done by students and also encouraged them by asking them if they are ready to take orders on professional front and stitch the items for them.

Everybody was amazed by the finishing of garments and products made by students and appreciated them for putting up a successful exhibition and their comments made students feel encouraged and motivated towards their work and made them confident and accomplished.
