

FIELD VISIT TO EVALUESERVE FACILITY IN GURGAON ON 15 th Nov 2022

A field visit was organised for the students of B.Sc (Home Science) Hons for their paper on ‘Facility Services and Management’ at Evalueserve office in Gurgaon on 15 th Nov 2022. The visit was Coordinated by Dr. Priyanka Kulshreshtha.

As part of their practical curriculum, the students had a hands on experience on hard and soft services provided by CBRE (Facility Management company). The students did a tour of the facility trying to understand the role and responsibilities of a facility manager, challenges faced by the team and the new technologies being used for facility management.

The students were welcomed by Ms. Anka, General Manager of CBRE and briefed about the facility. It was a good interactive session followed by students being then shown around the premises by Mr. Dharmesh of CBRE. The students gave positive feedback to the visit and showed their interest in pursuing internship in the facility management.
