**DUSU ELECTIONS
2023**

NOTICE

In view of the fact that DUSU elections are being held after a gap of three years due to COVID-19 and further in view of the representations received from the various students' groups requesting relaxation of age for three years, the Executive Council in its meeting on 25.08.2023 decided to grant one-time age relaxation to contest DUSU elections scheduled to be held on 22 September 2023.

Accordingly, the maximum age limit for an Undergraduate and Post Graduate bona fide student to contest DUSU elections of 2023-24 is 25 years and 28 years respectively.
